

**AMENDMENTS TO THE CLAIMS**

This listing of claims will replace all prior versions, and listings, of claims in the application:

Claims 1-36: Cancelled

Claim 37 (New): An insert for attachment to a jaw of a jaw-type occlusion device, comprising:

a compliant cushion having first and second surfaces, the second surface being adapted for releasable attachment to the jaw; and

a flexible non-compliant surface overlay secured onto the first surface of the cushion, the overlay adapted for engagement with a vessel or other body tissue;

wherein the overlay further includes protrusions extending from the overlay for providing increased traction with an engaged vessel or body tissue.

Claim 38 (New): The insert of claim 37 wherein the protrusions further comprise a plurality of columns extending from the overlay in a direction generally perpendicular to the cushion surface.
